

Become A Medicaid Provider TODAY

As a result of the novel coronavirus disease (COVID-19) pandemic, the Department of Health Care Policy & Financing is asking health care providers to join us in ensuring all Coloradans have access to quality health care during this public health crisis by becoming a Health First Colorado (Colorado's Medicaid program) provider.

We're Here for YOU, Colorado!

Learn about becoming a provider at www.colorado.gov/hcpf/become-a-provider.
